

SRI SIDDHARTHA DENTAL COLLEGE
DENTAL EDUCATION TECHNOLOGY COMMITTEE

REPORT ON CDE & TOT PROGRAMS SINCE 2015-2020

Dental Education Technology Committee organizes Continuing Dental Education (CDE) programs in order to benefit the students & staff with knowledge and current concepts. CDE programs are conducted once in three months. Each department is allocated a specific date for the same and on the stipulated date students/faculty from the respective departments will present and discuss the topics. Total of 11 CDE programs have been conducted since 2015 at SSDC.

Dental Education Technology Committee had organised a Training Of Teachers (TOT) program for the benefit of teaching faculty to improve and upgrade their teaching skills. The program was conducted in collaboration with Medical Education unit, Sri Siddhartha Medical College.
