## A Report on Prosthodontic Day

29/01/2018

Under the aegis of Sri Siddhartha Academy of Higher Education & Sri Siddhartha Dental College, the Department of Prosthodontics celebrated "PROSTHODONTICS DAY" on 22<sup>nd</sup> January 2018.

On this occasion there were various competitions a week prior for both UG & PG students. All the students participated actively to make the event memorable one.

On 18<sup>th</sup> January there was a competition to make a models using dental plaster & to make impression using alginate hydrocolloid impression material in Pre-Clinical Prosthodontic Lab. All the year students actively participated in it and best among all were selected for 1<sup>st</sup>, 2<sup>nd</sup> & 3<sup>rd</sup> prize.

The creativity of the students was appreciated in video making competition on the Theme: Ways of educating Prosthodontics to general population. All the videos from fifteen minute video competition were selected for displaying on this occasion & the prizes were awarded accordingly. A special video made by staffs of other departments "Prastho Pantru" on the theme depicted the importance of Prosthodontists. The video was highly entertaining & got a huge appreciation among the audience.

On the day of celebration, the programme was started with an invocation song followed by lightening the lamp. Dr. K R Kashinath, Principal, SSDC addressed the gathering and briefed the august audience regarding "Prosthodontic Day" & appreciated the student's participation for the competitions whole heartedly.

The people who were backbone of the department like Dr. Naveen, Head of the Department & Dr. Ravi, Reader were felicitated by our beloved Principal Dr. K R Kashinath. The lab technician, assistants & attenders were also identified and honoured on this occasion by the department staff. Prize distribution for all the events was done and students were awarded with certificates and dental burs as prizes.

The day was celebrated by cutting the cake & high tea was organized for the whole college. The whole event was a grand success & Principal sir thanked all the staff & the students for making it a memorable one.

### AWARENESS PROGRAM ON COMMUNICATION WITH DEAF PERSONS-27/9/2018

Extension Activities and Institutional Social Responsibility Committee, Sri Siddhartha Dental College and Hospital along with the Department of Public Health Dentistry conducted an awareness program on 'common communication techniques for dental personnel in treating deaf persons' on 27/9/2018, with the help of deaf children's foundation.

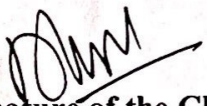

The programme included many activities like,

#### 1. Training on basic communication skills like

- Get attention of a deaf person by tapping on his shoulder and touching their hand
- Eye contact with the person
- Speak clearly, slowly and steadily
- Sign language, use gestures and facial expressions to explain our self.
- Repeat and re-phrase if necessary
- Turnoff or move away from background noise. Make sure your face is not in shadow and there are no strong lights or sunshine in their eyes.
- We can write or draw it down

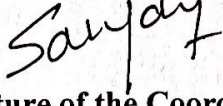

Students and staff were actively involved in learning these skills to communicate with deaf person while treating.
