A REPORT ON TOBACCO AND CANCER AWARENESS PROGRAMME - 2019

We the house surgeons of SRI SIDDHARTHA DENTAL COLLEGE had organized a dental programme on tobacco and cancer awareness in association with the Department of Oral Pathology & Microbiology at KAP BRICKS & CLAY, Tumkur on 19-07-2019.

Approximately, 10-15 members – Workers, manager & owner had assembled for this event.

The awareness programme was not only on the effects of tobacco in general, but also regarding the effects it produced on passive smokers.

The talk lasted for about 45 minutes which covered various areas of interest namely:

- Concept of active and passive smokers
- Types of tobacco available
- Statistical analysis of the incidence and prevalence of smoking
- Factual descriptions on habits of tobacco
- Ill effects of tobacco – signs & symptoms
- Complication & malignant transformation
- Tobacco cessation programs & health centres
- Treatment plan & rehabilitation
- 5A's

We had concluded the session with a video illustrating the effects on second-hand smoking / passive smoking.
