Sri Siddhartha Academy of Higher Education

(Deemed-to-be-University u/s 3 of the UGC Act, 1956)

INTRODUCTION

Sri Siddhartha Academy of Higher Education, (Declared as Deemed to be University U/S 3 of the UGC Act, 1956) Tumkur, was established vide MHRD GOI No. F.9-31/2006-U.3 (A) dated: 30/05/2008 of Govt. of India. The Academy started functioning w.e.f. 01/06/2008. Sri Siddhartha Medical College and Sri Siddhartha Dental College have been functioning as constituent colleges of Sri Siddhartha Academy of Higher Education since 01/06/2008.

Further as per Govt. of India notification vide No. F.9-31/2006-U.3(A) Dtd. 16/12/2008, the UGC in exercise of the powers conferred by Section 3 of the UGC Act, 1956, included Sri Siddhartha Institute of Technology, Maralur, Tumkur, as an off-campus constituent teaching unit of Sri Siddhartha Academy of Higher Education, Tumkur with effect from 06/03/2009.

Providing health care to patients and families living in rural India presents significant challenges, but comes with unique rewards. Keeping in view of growing shortage of Doctors and Health care facilities in rural areas, Siddhartha Academy of higher education (SSAHE) established a new medical college, Sri Siddhartha Institute of Medical Sciences and Research Centre at T.Begur, Nelemangala Taluk, Bangalore Rural District on 24/05/2019 in pursuit of offering quality medical education and commitment for holistic patient care, vide letter No. MCI-34(41)(E-22)/2019-Med/117067 dated: 24/05/2019.

ABOUT SPONSORING SOCIETY ...

SRI SIDDHARTHA EDUCATION SOCIETY (S S E S) started by its founder secretary Late Sri. H. M. Gangadhariah with the blessings of saint and seer, the father of "Bhoodan movement" Sri Vinobha Bhave in 1959, has made a leap in the field of education. The Society which started as a residential school in a village near Tumkur then established several nursery, primary and high schools including Pali schools in the later years. It further expanded its domain to Technical, Medical and Dental Education. Today the total number of institutions run by the Society amounts to 84 with a total students strength of 15986 and staff strength 1800. The main objective of the society is to reach the unreached in the field of education.

Sri Siddhartha has grown to be the hub of higher education with excellent teaching facilities and highly qualified and experienced teaching faculty. With diversified professional courses, the range of subjects is wide giving a good choice to the students seeking admission here.

Sri H.M. GANGADHARAIAH
Founder, Sri Siddhartha Education Society

Leadership always plays a vital role in this process and was carefully nurtured. The Society is fortunate enough to have two illustrious sons of the founder who are equally zealous and committed to the founder's goals. Late Dr. G. Shivaprasad, an eminent Ophthalmologist, was the former Secretary and Dr.G.Parameshwara a reputed agriculture Scientist is the Secretary of the Society.

MAJOR ACHIEVEMENTS

> ### Establishment of New Medical College, Sri Siddhartha Institute Medical Sciences and Research Centre, T.Begur, Bangalore Rural District

T. Begur is a vast rural place between Bangalore and Tumakuru districts, with many villages and towns, without a good hospital. In pursuit of offering quality health care the University started a 400-bed hospital with state-of-the-art health care facilities. On 24th May 2019, Medical Council of India recognized this as Medical College to offer MBBS programs and the first batch of students were admitted for academic year 2019-20, through NEET. This new Medical College is running in the name of Sri Siddhartha Institute of Medical Sciences and Research Centre (SSIMS&RC) at T.Begur.

It has a class infrastructure and dedicated proficient faculty on par with requirements of Medical Council of India. SSIMS&RC Hospital is dedicated to provide efficient but affordable medical services to the underprivileged population in its catchment area. The institute strives to deliver high quality; comprehensive, integrated, value based medical education including innovative approaches towards latest technology and research. This institution is the fertile land that nurtures budding doctors to become exemplary Indian Medical Graduates. A wide range of educational, technological, cultural, social and extra-curricular activities supported by state-of-art library and gymnasium, are available to students, faculty and staff.

COURSES OFFERED: MEDICAL: MBBS (150 Intake)

College Campus: Spreading across 20.31acres, this verdant campus is situated in the outskirts of Bangalore city on NH - 4 and is just 38 km from Bangalore city well connected by Road and Railway and 50 km from Kempegowda International Airport, Bangalore.

The entire land has been developed into a self-sufficient campus in all respects. Today it is a sanctum of peace and serenity away from the commotion and pollution of the nearest metro city devoted to promoting excellence in educational and scientific endeavor. Comprehensive and ergonomic environmental planning of buildings, plush lawns and gardens have ensured maximum comfort to the inhabitants. The buildings are situated at strategic locations to optimize the functional efficiency of various facilities.

Hospital Facilities: The affiliated teaching hospital for the medical college is a multi – specialty tertiary care hospital covering all broad & super specialties with a capacity of 1000 inpatient beds, 60 critical care beds, 10 Major Operation theaters, OPD block, Casualty & Emergency, MRD, Central Clinical Laboratory, Radiology, Pharmacy etc. are available to cater the needs of the general masses of state especially the poor and the weaker sections of the society, which also provides adequate clinical teaching materials as envisaged by Medical Council of India.

SRI SIDDHARTHA DENTAL COLLEGE

Since 1992……..

Sri Siddhartha Education Society started the Dental College in 1992 at Tumkur – a rural District of Karnataka, with an aim to bring professional training and advanced treatment facility to door steps of the rural masses.

The college is well equipped and housed in a building measuring 44.872 Sq.ft in an acres, 100 meters away from Sri Siddhartha Medical College. The College has qualified and dedicated staff who are always ready to help the student in shaping their future.

The motto of the College is "Good citizen first then Good Dental Surgeon". To achieve our motto, importance is given to both a strict disciplined training program and extracurricular activities.

VISION:

To achieve excellence in science and art of density through education, research and service.

MISSION:

The mission of Sri Siddhartha Dental College, as an integral part of Sri Siddhartha Academy of Higher Education is to be a driving force towards improving the health of the citizens of Tumkur district through developing and promoting oral health care policies addressing the needs of society, provide patient centered oral health care, define new standards for dental education and prepare oral healthcare providers for excellent patient care.

GOALS

To enhance the dental health and well-being of ethnically diverse communities by providing quality dental services in a professional and caring environment.

OBJECTIVES: PATIENT–RITE

Patient-Centered Care - Our actions are constantly focused on providing excellent patient service in a warm and welcoming environment. We treat each patient with respect, as if they were a member of our own family.

Responsibility - Every individual has an obligation to uphold our mission and core values. This requires accountability for individual actions and a commitment to giving our very best effort with every patient, every day.

Integrity - We behave with the highest level of honesty, ethics and integrity at all times. We will always support people for doing what is right, and will speak up if we see or hear something that doesn't seem right.

Teamwork - We can accomplish more together than as individuals. Success requires us to work together and treat each other with respect. This in turn requires us to communicate often, openly and constructively, and to be open to a point of view different from our own.

Excellence - We relentlessly pursue the highest level of performance in every clinical activity. This requires hard work, continuous improvement, and a constant focus on quality
