DEPARTMENT OF PERIODONTOLOGY & IMPLANTOLOGY

REPORT ON ORAL HYGIENE WEEK 2023

To celebrate the birth anniversary of Dr. Shankwalker, founder president of Indian Society of Periodontology, Department of Periodontology & Implantology at Sri Siddhartha Dental College, Tumkurin association with Indian Society of Periodontology organized oral hygiene week from 01/08/23 -07/08/23.

The program included an educational and screening camp for about 168 schools students, where in we briefed about the importance of brushing and maintenance of good oral hygiene. The students were also screened for dental problems.

Wide Publicity for Oral hygiene day was done via Radio Siddhartha, pamphlets and display boards. A unique Bamboo tooth brush was propagated and patients were advised to exchange their old tooth brush in return for a eco-friendly bamboo tooth brush.

Free eco-friendly tooth brush, parodontax tooth paste and a hand out on importance of oral hygiene maintenance was given for each patients.

A competition with the theme of "Best Out of Waste" was conducted for the undergraduate and post graduate students. The students showcased their talent by creating wonderful dental art by using dental waste. Poster competition on importance of oral hygiene was conducted. All the participants were honored with certificate of appreciation from ISP and winners were awarded with prizes.

The program concluded with a brief interaction with all the patients and students and all of them were encouraged to use eco-friendly tooth brushes and keep oral hygiene maintenance a priority in their life.
